Dear Rep. Armanini:

As executive director of the Bradford Area Chamber of Commerce and a proud graduate of the University of Pittsburgh at Bradford, I value the important role my alma mater plays in helping to enhance and strengthen our economy, both here in Bradford and throughout Pennsylvania.

There are many ways Pitt-Bradford adds value to our community, which include:

- Making a statewide economic impact of about \$81 million annually.
- Paying \$4.5 million in state and local tax revenues annually.
- Sustaining and supporting 856 jobs, making Pitt-Bradford one of the largest employers in McKean County.
- Fueling our local workforce with an average of 195 graduates each year, 71% of whom stay, work and help to advance our state's economy.
- Growing a network of nearly 5,500 alumni who, like me, live in a 15-county region of Pennsylvania that includes your district.
- Contributing \$3.9 million in volunteer time to the local communities by Pitt-Bradford employees and students.
- Maintaining a Military Friendly School and Military Friendly Spouse School distinctions for many years thanks to a steadfast commitment to serving and supporting veterans and their families.
- Elevating the reputation and the vitality of our region by developing new engineering technology programs and building a new engineering and information technologies building to meet the workforce needs of regional employers.

There are many other ways that Pitt-Bradford helps to enhance life and boost the economy in this region. We are proud of Pitt-Bradford's role in our community and grateful to have such a powerful ally in advancing the critical work of strengthening Pennsylvania's families, economies and future.

Respectfully,
